Homework – Homework for primary will start this week.

K12, along with the primary class, will be learning performance pieces for our end-of year presentation evening.
This term, Kindergarten Orientations will be happening in K12, so please keep your eyes peeled for dates and information, in the newsletter and on our Facebook page and spread the word to friends and family.

Jump Rope for Heart- Our Jump Off day will be on Thursday 29th October from 2-3 due to primary sport. Please come along to cheer on our students as they demonstrate some terrific skipping skills and we announce our fundraising success. With 10 days left, there is still time to fundraise! Please help our students support the Heart Foundation and consider making a donation, or asking family, friends and colleagues to make a donation. Money and fundraising forms need to be returned on our Jump Off Day. You can also fundraise online. Please see me (Mrs Allen) if you would like more fundraising forms.
SWIMMING SCHEME - All our students K-6 will participate in this from Mon 9th Nov to Fri 20th November from 11-12pm at Tomarre Aquatic Centre. Our P&C kindly sponsor a large part of the cost of this scheme. Lessons are free from the Department of Education but we have pool entry costs and transport costs to pay. To keep this to a minimum, we ask parents to assist with transport to and from the pool on the Monday and Friday of each week. A mini bus and driver are being arranged for the other 6 days with an abled bodied person with a licence! Any volunteers?

Information about applying for Year 7 entry to selective high schools in 2017

Mrs Moore has information forms in the office if anyone would like a paper copy.

Bobs Farm History Book - Anyone is able to contribute to our publication over the next few weeks! Email memoirs, funny stories etc. to bobsfarm-p.school@det.nsw.edu.au. If you know of someone who should have a mention/ write up in our book to be published next year please have them ring the school ASAP!

Sporting Skills program funding for term 4 - Bounce Tennis on Fridays. Pack some extra fruit and water! We would also like to encourage any parents or community members who have sporting qualifications and Working with Children Checks that they too can register with the Sporting Schools Program and be a sports presenter at our or any other local school under the Sporting Schools Program. Just log into www.sportingschools.gov.au read the information and follow the registration process and then let us know.

Bus Driving at BFPS - If any parent has their bus licence and Working With Children Check and would like their name put down on a school register of available drivers, could they please see the school office and complete the necessary paper work. From time to time we require a bus driver who can pick up a mini bus at late notice, if we do not have enough parent drivers for school activities. If we have a registry of several people it makes it easier to manage. Thanks.

P&C Meetings- We will have parent meetings this term as needed to organise end of year presentation night etc. We also need to organise a treasurer for P&C banking so that the Canteen can function smoothly at the beginning of next year. Other positions can be organised early next year.
